Nga mihi nui e te whānau o Ngāti Kahungunu ki Wairarapa Tāmaki-nui-a-Rua, I am very humbled and grateful to have been asked and nominated by my kaumātua and whānau again to stand for the Kahungunu ki Wairarapa Tāmaki-nui-a-Rua Settlement Trust.

Over the last 10 plus years it has been my privilege to have represented whānau and hapū at the Settlement trust board, I have served as the Deputy Chair for the majority of that time and know the importance and responsibility we have as trustees to our whānau hapū and Iwi.

This term will be the laying of our foundations for both iwi developments Wairarapa and Tāmaki-nui-a-Rua so we can better connect with whanau, supporting you all with the challenges we have in front of us with education housing and hauora.

I will continue to keep the home fires burning for our whānau who live overseas, keeping them connected to the settlement is important and ensuring strong communications with all whānau is a high priority for our trust.

I look forward to your support again and will continue to work hard for our Iwi

Tihei Kahungunu !!!

Nga mihi

Tenā Koutou whanau,

It is a privilege and an honour to be asking my whānau to re-elect me onto our Ngāti Kahungunu Ki Wairarapa Tāmaki-nui-a-Rua Settlement Trust Board. Kia ora whanau, I am standing again and will continue to ask for support for our marae development, education and housing for our whanau now that we have settled and started our Iwi development. I believe I have the relationships with the right people and a good relationship with our other board members to make this happen. I have been there to represent our whanau on the settlement journey which has been long and hard at times but want your support again to deliver the outcomes to our whanau.

I believe the settlement is there for the benefit of all our members and want to encourage the development of our whanau whether it be in Te Reo, Tikanga, education, home ownership, upskilling and employment training. Our whanau cover a large area from Norsewood to Cape Palliser and a focus for me will be to help us strive to succeed in our Rohe, take care of our whanau and develop opportunities for all.

If elected to represent our whanau I will make sure your voice is heard at the board table and if there is a specific need within our Rohe I will do my best to make it happen.
